

Aurora Mobile Becomes a Strategic Partner of WhatsApp in Greater China

January 10, 2023

SHENZHEN, China, Jan. 10, 2023 (GLOBE NEWSWIRE) -- Aurora Mobile Limited (NASDAQ: JG) ("Aurora Mobile" or the "Company"), a leading provider of customer engagement and marketing technology services in China, today announced that it became a strategic partner of WhatsApp in Greater China in December 2022 and receives strong technical support from Meta.

The Company also received the Meta Business Partners badge and its overseas messaging service platform EngageLab has joined the Meta Business Partner's network. Meta Business Partners are companies Meta has vetted for their technical skills and services, and their unique ability to help businesses grow. They form a highly respected global community and get access to unique benefits such as training, support, analytical reports and client matching opportunities.

Going forward, Aurora Mobile will continue to leverage its advantages in messaging services to provide stable, efficient, and user-friendly WhatsApp-related services for Chinese companies to expand overseas. Integrating with Aurora Mobile's proprietary messaging products such as JPush, SMS and email services, the Company aims to offer omni-channel messaging solutions to help Chinese companies with user reach, user engagement and innovative marketing to empower their growth and development in overseas markets.

Safe Harbor Statement

This announcement contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "future," "intends," "plans," "believes," "estimates," "confident" and similar statements. Among other things, the Business Outlook and quotations from management in this announcement, as well as Aurora Mobile's strategic and operational plans, contain forward-looking statements. Aurora Mobile may also make written or oral forward-looking statements in its reports to the U.S. Securities and Exchange Commission, in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including but not limited to statements about Aurora Mobile's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: Aurora Mobile's strategies; Aurora Mobile's future business development, financial condition and results of operations; Aurora Mobile's ability to attract and retain customers; its ability to develop and effectively market data solutions, and penetrate the existing market for developer services; its ability to transition to the new advertising-driven SAAS business model; its ability maintain or enhance its brand; the competition with current or future competitors; its ability to continue to gain access to mobile data in the future; the laws and regulations relating to data privacy and protection; general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in the Company's filings with the Securities and Exchange Commission. All information provided in this press release and in the attachments is as of the date of the press release, and Aurora Mobile undertakes no duty to update such information, except as required under applicable law.
